

15th Nano and Micro Systems workshop

Nano/Micro systems for health and safety

June 26th-28th, 2017

Interciti Hotel, Daejeon, South Korea

Co-organized and supported by

Korea Institute of Machinery and Materials (KIMM)
and **CNRS**

KOREA INSTITUTE OF
MACHINERY & MATERIALS

Chair: Dr. Yeong-Eun YOO

Micro/nano fabrication technologies
Sensors, MEMS, MOEMS & NEMS
Modelling and design
Characterization, testing and reliability
Integration and packaging
Applications of micro and nanodevices
Nanosciences & nanotechnologies
